Who is **SoulCorde** Music?

SoulCorde Music began in 2020, when Paula Walker (Vocals and Keyboard) and Pat Carrano (Drums/Percussion) began to fuse their **eclectic** blends of their extensive musical past into their own progressive music ministry moving forward; suited for all ages. This fusion birthed their own form of **RockSpel**, currently bringing hope and transformation to the inmates at Warkworth Institution on a weekly basis, but certainly not limited to.

The Sanctuary

"I had the pleasure of booking and enjoying SoulCorde for a Coffee House. They are professional, talented, original, Gospel centered, and relatable in their lyrics for both the saved and seekers of the truth. I look forward to working with them in the future!" Pastor Suneal (PhD), Durham Spirit and Truth Fellowship, Oshawa, ON.

The Prison

"Pat and Paula have been volunteering at the Warkworth Institution since early 2024; a weekly Music Club to train up the men, in addition to their chapel music ministry. Their music and lyrics are inspiring the men and changing their lives in a profound way. We just love them!" (Desmond Khanoo, CSC/SCC Head Chaplain)

The Coffee House

"The Coffee House is an outreach ministry of Durham Full Gospel Church in Whitby featuring in-house and local Christian groups in a casual setting. SoulCorde were guests last spring and their original music was enjoyed by both the seekers and the saints! We are all looking forward to their return in the fall." (Rev. Clayton Weller)
